

FALL 2018 COURSES

Class Preview: **September 12, 2018**

Classes Registration Opens: **September 17, 2018**

Classes Begin: **October 8, 2018**

Testing Success – Test-taking Strategies, October 8 – Oct 17, 2018

Do you find taking tests difficult? Do you encounter words that you do not understand or fail to complete the test? Do you struggle with any of the following tests: Multiple choice, Short answer, True/False and/or Essay tests? If so, join us (M/W), as we teach you strategies to increase your testing performance.

Goal Setting & Success Planning, October 9 – Oct 18, 2018

Are you tired of your plans failing and want a change? Are you willing to follow a proven step-by-step process that ensures success? Join us (T/Th), as we not only teach you the elements of success planning and how to plan for success but we'll also give you multiple opportunities to practice your newly acquired skills in class.

Interviewing 101, October 23 - November 1, 2018

Do you want to land that next big job? Do you know the type of questions you'll be asked? Join us (T/TH), for (4) exciting classes that will prepare you to succeed and change your life. Private and small group sessions also available.

New Business Start-up, November 5 - November 14, 2018

Have you dreamed of owning your own business but didn't know where to start? Are you willing to dedicate long hours to research, build and market your own business? If you answered yes to all of the questions above, then this class is for you. Join us (M/W), as we help you complete all required documentation to start your own business in the State of Ohio. Private and small group sessions also available.

Youth & Adult Self Defense, November 6 - November 15, 2018

Are you tired of being bullied or intimidated? Do you just want to be able to defend yourself? Join us (T/Th), as we teach you techniques guaranteed to stop unwanted threats, physical assaults and/or intimidation.

Intro to Computers 1, November 26 - November 30, 2018

Do you uncomfortable when trying to use computers? Has technology passed you by? Do you want to catch up? Join us (M/W/F), as we get you up to speed. Learn the basics of computer terminology, types, hardware and software.

Literacy Enrichment Program, December 3 – December 12, 2018

Is your 5 -8 year old child struggling in reading and getting low scores on tests and quizzes? Are you willing to work with your child to make a change? Then the Literacy Enrichment Program is for your child. Join us (M/W), as we complete/review the following: Pre-Assessment, Reading Achievement, Incentives, Post Assessments and when followed as directed, significant results ensue.

Financial Literacy - Credit Counseling, December 4 – December 13, 2018

Have you ever heard the saying "Knowledge is power". We'll it true. The more knowledge you have about a topic, the more your advantage. Join us (T/Th), as we increase your knowledge of credit, give you tips on how to manage existing credit and improve your credit score.

Art Enrichment & Appreciation, December 17 – December 21, 2018

This program was developed with the artist in all of us in mind. Join us (M/W/F), as your current drawing abilities are enhanced, with the introduction of new tools and techniques. Participants will also be taken on a trip through the time of many famous artists like Van Gogh and Da Vinci. The program culminates with a cultural tribute and trip. Take the journey with us.
